East Haven Youth Football 2008 Sponsorship Program

Welcome to the East Haven Youth Football Organization!

East Haven Youth Football is a non-profit organization dedicated to benefiting our youth between the ages of 6-14 by instilling in them the desire for excellence in achievement through team work, discipline, integrity, and personal sacrifice that is central to successful competitive team sports. Each year our program typically fields 11 teams ranging from 6 flag teams to 5 tackle teams with over 200 participants each year.

Football programs require considerable investment of time and money, and our program is no exception. We are asking for financial support from community businesses and individuals for the upcoming 2008 season. Your support helps defray the costs of protective safety equipment, liability insurance, uniforms, referee fees, and field maintenance. It also helps our program maintain affordable registration fees to ensure every child can participate. We never turn a child away and some of our children are allowed to play for free. Your donation helps us accomplish this.

Below you will find our 2008 sponsorship program detailing the various sponsor levels available. Please take a minute to review these sponsorship options. We welcome any form of sponsorship or donation including monetary, supplies and or equipment. A sponsorship application form can be obtained by contacting any East Haven Youth Football member, or can be printed from our website at easthavenyouthfootball.com.

On behalf of all the volunteers of the East Haven Youth Football organization, we thank you in advance for your kindness and community support!

Sincerely,
East Haven Youth Football Inc.
